

AMERICAN LEGION POST 419 REVEILLE

Veterans Helping Veterans & Serving the Community Since 1932

Issue 1-70

958 Homestead Road, Santa Clara CA 95050

July 2023

Well, here we are another month almost gone. For those of you who I have not met yet, my name is Richard Peralez and I look forward to meeting and working with you here at post 419.

This month was our annual American Legion car show. I first want to thank everyone who helped make this a smooth and successful event. It takes several months, a lot of planning, and a lot of thought to put on this event. We could not have done it without our great car show committee members and numerous volunteers.

Congratulations to our winners.

First place went to a 1942 Jeep.

Second place went to a Corvette.

Third place went to a 1956 Jag XK

I attended the Department of California American Legion convention in Visalia Ca.

The energy was electrifying, training sessions were well attended.

I'm looking forward to advocating for our Veterans and inviting all to join in the process.

Richard Peralez

AMERICAN LEGION ADJUTANT

Membership Dues

July is the start of the Membership Renewal Drive for the American Legion Post 419. Our dues are still \$45.00. I already has your membership cards and will process yours as soon as I receive your payment. If you wish to renew online as a lot of our members do, I check that file daily and try to process your renewal within a few days.

Those of you who did not renew for the 2023 calendar year, you are no longer considered a member in good standing and not entitled to any legion benefits, such as voting privilege at any membership meeting, lounge privilege or legion discounts. You can still renew for 23 but will also have to pay for 2024 by December 31.

Besides the Honor of being the coordinator of the District 13 Honor Guard I also coordinate the Post 419 Color Guard. This past month we presented Colors at annual Safety Officers award ceremony in Sunnyvale and at the Zinger Coral group at their solute to Veterans concert.

District 13 Honor Guard.

We need new members. Currently we only have 15 names on the team and at least 4 can no longer take part due to family and health reasons. 12 of the 15 names are from Post 419. This is a District 13 Honor Guard. The other 10 or 11 post should be taking part in this activity. Post 419 has the equipment to perform the service. If another post wishes to take on the responsibility of coordinating the District 13

Honor Guard please inform the District 13 Commander

Post Projects.

KD Poynter and I presented the Manager of the Home Depot Campbell with a Certificate of appreciation for the volunteers work he and his crew did in the landscaping and new patio furniture donation from Home Depot. Post 419 issued certificates to all the volunteers that helped that day. The HD District 50 office coordinated the volunteer assignment from several location, Colma, Daily City, San Carlos, East Palo Alto, Campbell, Sunnyvale, and San Jose's Bollinger stores. The remaining certificates will be presented by the District Manager upon his return from vacation.

AMERICAN LEGION JUNIOR PAST

Junior Past Commanders Report July 2023

Hope you are enjoying the summer so far. Heat comes this week so take care. Make sure you drink a lot of water or other non-alcoholic drinks.

I want to thank all who have worked with me during the past 3 years. We have accomplished much coming out of the covid cloud. Still there is much to do and we need to support Commander Richard.

Richard has done a fine job with everything he has been asked to do since he became 2nd Vice Commander. He can be proud of his accomplishments especially this years car show.

As I constantly say don't be afraid to volunteer a few hours at the post. Honor Guard especially need more help.

Come to the 4th of July picnic. The Marine Corp League showed us how to have a family BBQ, now it is the posts turn.

11am to 1 pm.

Breakfast is Sunday June 2. I think it is with waffles so I can have an easy time in the kitchen.

See you at the meeting 5 July at 7 pm. We will be welcoming new members and a surprise finish. Take an hour to join us. Let's start Richard's year with a good crowd.

Have a good month

Ralph Jacob

JR PAST Commander

AMERICAN LEGION SONS

Well, as the Detachment year 2022 /23 has come to an end, we now step into the next chapter.

Our new squadron commander Patrick Manley has been our Squadron Chaplain as well as 1st Vice Commander and was willing to step up. We encourage our members to at least come to the meetings and provide us with input to have a successful year and more in the future.

The years events for the squadron have been almost the same as previous with maybe the name changes. This shows that we are listening to our members to encourage others to speak up and give us their opinions, we always need input, for the future of the squadron.

Membership is still the strength of the squadron, again as well as participation. New cards should be arriving soon as the American Legion Convention just ended on Sunday 6/24/2023. Therefore as soon as those cards are delivered we will start sending out notices, and our dues are still \$25.00 a year. There is no plan on increasing the dues prices.

Our new Detachment Commander is Shawn Braydon from Southern California, not twenty-one yet, but very committed to the organization. One of the detachment's plans started 2 years ago to help eliminate the long hours which we have had in the past is to have 2 monthly zoom meetings. This does help in getting things addressed soon than later. The first meeting is devoted to membership from all squadrons within the state, and usually lasts 30 minutes. Our 2nd meeting will last a little bit longer than an hour, but then there is a lot to discuss. Here the Area 2 and District Commanders are encouraged to submit written reports, leaving the rest of the time for commission and committee reports. This is an insight into how the detachment works and try to keep everyone informed. Also, our consolidated report for each squadron is utilized as to our community service, by having all members keep track of their hours and mileage. I will be sending out simple forms for which all you need to do monthly is just write them down and then turn them in. If you are a member in any other orgs, you can add that time in as well. Many of us do belong to a few different organizations and serve the community.

Now, our squadron meetings are still on the 1st Thursday of each month, our time has been moved up by 30 minutes. So, the meeting is now at 6:30pm. The location is still A.L. Post 419, 958 Homestead Rd, Santa Clara. Meeting s will be held in the main hall unless rented, then in the clubroom.
